

Homework for Correcting Mistakes Class

Materials: size 8 knitting needles; light colored, smooth worsted weight yarn; tapestry needle, crochet hook size F or G, scissors.

Make the following swatches using light colored yarn and size 8 needle.

- 1) Swatch 1: Cast on 20 stitches and **purl one row back**. Work in stockinette stitch starting with a knit row until the swatch measures 2". Leave on needle and leave at least 5 feet of yarn attached.
- 2) Swatch 2: Make 1 swatch as above but drop a stitch (let it purposely fall off the needle) in the middle of the row on row 8. On the following row just purl right past it. If it begins to unravel, just let it!
- 3) Swatch 3: Make 1 swatch as Swatch 1 but knit every row (garter stitch)

Please call the shop 847-390-1013 if you have questions.
